Tour Code 行程編號: HF from Rome to London

This is one of our most popular Europe trips. It starts with two nights in Rome, where you will enjoy a special welcome dinner with wine at a lively Roman restaurant, and ends with two nights in London. You will also stop in major cities like Florence, Venice, Lucerne, and Paris. All "must-see" features such as St. Peter's, the Sistine Chapel, the Colosseum, Michelangelo's David, St. Mark's in Venice, the second floor of the Eiffel Tower in Paris, and St. Paul's in London are included, with a Local Guide in each city. From Italy cross the border into subtropical Lugano in Switzerland, then drive straight through the Alps via the ten-mile St. Gotthard Tunnel and William Tell country to picture-book Lucerne, where you have a relaxing two-night stay before going to Paris. After two nights in Paris, board the Eurostar train for a smooth ride to London. This is a wonderful holiday any time if you want to see the most popular cities of Europe.
