Situate on the border of France and Germany, Strasbourg is influenced by the culture of both countries and is the capital of the Alsace region. It is the seat of the Council of Europe and the European Parliament. A Local Guide shows you the noteworthy sights: the GOTHIC CATHEDRAL, the lovely LA PETITE FRANCE district, Place Kleber, and Place Gutenberg with the statue of the inventor of the printing press. Strasbourg is also home to the Kronenbourg Brewery. An optional excursion into the Alsace wine region is available.

5

MAINZ-RUDESHEIM

Situated on the left bank of the Rhine, opposite the mouth of the Main River, Mainz is Germany's largest and most important wine market. The Old Town has many interesting shops, tea rooms, and restaurants, and a fountain on the Schillerplatz is decorated with scenes of the famous carnival held here every year. Gutenberg, the father of modern printing, was born here and you'll visit the GUTENBERG MUSEUM. The pretty little town of Rudesheim is the perfect example of a Rhine Valley wine town. SIEGFRIED'S MECHANICAL MUSICAL INSTRUMENT MUSEUM is a real surprise! Enjoy a SPECIAL TREAT, then there's free time to explore the Drosselgasse and pick up some souvenirs.

6

RHINE GORGE-KOBLENZ

Downstream from Rudesheim is the dramatic RHINE GORGE, the most beautiful stretch of river and dotted every mile with castles. Cost (Price per person)	Description
49 EUR	ZURICH - AFTERNOON EXCURSION TO MOUNT PILATUS The giant mountain looming above Lucerne to the southwest is Mount Pilatus (2132m / 7000 ft). There are two means of transport to the top, making it easy to do a half- or full-day round trip from Lucerne - simpler than in 1868, when Queen Victoria made the excursion riding on the back of a mule. We start at Kriens; from here a cable-car rises to Frakm◆ntegg, itself connected to the summit by gondola. The walk to the highest point of the mountain, the Tomlishorn, takes less than thirty minutes from the top station, with breathtakingly expansive views out over the lake the whole way along the cliff-top path. We will make our way down with the steepest rack railway in the world running at a gradient touching 48 percent directly to the bottom of the valley. The descent takes a careful forty minutes, but time flies when watching the breathtaking scenery.
36 EUR	STRASBOURG - EXCURSION TO THE ALSACE COUNTRYSIDE Although modest in size, Alsace's geography is such that it offers an incredible variety of landscapes and climates. With the Vosges mountains and the rest of France to the west, and the Rhine and then Germany to the east, Alsace really is a mini-kingdom in itself, which has absorbed aspects from both French and German cultures. This is not surprising, as the region has changed hands four times in the past few hundred years. Since the Great War, however, Alsace has remained French. The famous Riesling, the Pinot Noir, the Tokay-Pinot Gris, the Gewürztraminer, a Muscat or a Pinot Blanc are the varieties of wine that you find here. But you can discover more. Follow our local expert on a tour of the Alsace with its charming half-timbered houses, the quiet villages and the vineyards. Taste some of the wines of the region, as we will visit one of its wine farms.
29 EUR	AMSTERDAM - KLOMPEN, CHEESE AND PEANUT OIL - ZAAANSE SCHANS The Zaanse Schans is a delightful old hamlet on the banks of the river Zaan with characteristic green wooden houses, charming stylised gardens, small hump-backed bridges, tradesmen's workshops, historic windmills and engaging little shops. This enchanting hamlet gives an excellent impression of how a typical Zaanse village must have looked like in the seventeenth and eighteenth centuries. Join our local expert for a journey through times when Dutch Sailing Ships crossed the seven seas and goods from all corners of the world traded in Holland. Don't miss your chance to see a working windmill inside and admire the craftsmanship of its mechanics.
27 EUR	AMSTERDAM - REMBRANDT & CO - A VISIT TO AMSTERDAM'S RIJKSMUSEUM The Masterpieces of Amsterdam's Rijksmuseum offer a unique way to view all the highlights of the Golden Age in one place. Discover with our local experts their interrelationships, thematically or chronologically, discover the stories and view the artworks close-up. The most famous painting at the Rijksmuseum is Rembrandt's Night Watch. A national icon that fires the imagination and is always at the centre of discussion; the painting has been successively analysed, interpreted, praised, abused, damaged and restored; it is, in short, the focus of attention. But what makes this portrait of a group of civic guardsmen so special, apart from being the largest painting that Rembrandt ever made? What is it about, what is its background? Find your answers in this visit to the Rijksmuseum.
29 EUR	AMSTERDAM - SUNFLOWERS & OTHER MASTERPIECES A visit to the Van Gogh Museum is a unique experience. The museum contains the largest collection of paintings by Vincent van Gogh in the world. It provides the opportunity to keep track of the artist's developments, or compare his paintings to works by other artists from the 19th century in the collection. The museum also holds an extensive offer of exhibitions on various subjects from 19th century art history. Join your local expert for an introduction to Van Gogh, before you start exploring the collection at your own pace.
29 EUR	AMSTERDAM - VOLENDAM - FISHERMAN'S VILLAGE ON THE FORMER ZUIDERZEE. Legend has it that the Volendam coat of arms is a compliment to the beauty of the Volendam girls! No wonder that a famous singer sang the praise of this characteristic Dutch fishing village in the words: "Anyone who wants to see the real beauty of Holland, goes to Volendam". As a result of its completely insulated location, this village preserved its character for six centuries, also because of the tough vitality of the fishermen. The characteristic small houses, which together with the canals and the drawbridges form the most picturesque spots, present the visitor an atmosphere of geniality and romance.
